CODE OF CONDUCT AND PROFESSIONAL ETHICS

FOR INTERNAL QUALITY ASSURANCECELL (1QAC)

The Internal Quality Assurance Cell (IQAC) stands as a pivotal entity within the institution, dedicated to upholding and enhancing the standards of academic and administrative excellence. Tasked with developing quality benchmarks, fostering a learner-centric environment, and coordinating various quality-related activities, the IQAC plays a crucial role in promoting a culture of continuous improvement and excellence. By ensuring the dissemination of information, organizing workshops, and preparing quality reports, the IQAC serves as the cornerstone for instilling a commitment to quality across all facets of the institution.

Main Responsibilities of the Internal Quality Assurance Cell (IQAC) Development and

1. **Implementation of Quality Standards:**
   - Establish quality benchmarks for academic and administrative activities.

2. **Foster a Learner-Centric Environment:**
   - Enhance faculty skills and promote participatory teaching methods for quality education.

3. **Feedback Mechanism:**
   - Collect feedback from students, parents, and stakeholders to improve institutional processes.

4. **Dissemination of Quality Information:**
   - Share information on various quality parameters in higher education.

5. **Organization of Workshops and Seminars:**
   - Conduct workshops and seminars on quality-related themes to enhance services.

6. **Documentation for Quality Improvement:**
   - Document programs and activities aimed at enhancing quality.

7. **Coordination of Quality Activities:**
   - Serve as the central coordinating agency for quality-related initiatives and best practices.

8. **Institutional Database Management:**
   - Develop and maintain an institutional database through ICT for quality enhancement.

9. **Cultivate a Quality Culture:**
   - Promote a culture of quality within the institution.

10. **Annual Quality Assurance Report (AQAR) Preparation:**
    - Prepare and submit the Annual Quality Assurance Report (AQAR) following NAAC guidelines and parameters.

Strategies of Internal Quality Assurance Cell (IQAC)

1. **Performance Enhancement Mechanisms:**
   Develop procedures to ensure timely, efficient, and progressive performance in academic, administrative, and financial tasks.

2. **Academic and Research Program Quality:**
   Focus on enhancing the relevance and quality of academic and research programs through continuous evaluation and improvement.

3. **Modern Teaching and Learning Methods:**
   Optimize and integrate modern teaching and learning techniques to enhance the educational experience for students and faculty.

4. **Evaluation Procedure Credibility:**
   Maintain the credibility of evaluation procedures to ensure fair and accurate assessment of academic performance.

5. **Support Services Adequacy:**
   Ensure the adequacy, maintenance, and smooth functioning of support services essential for academic and administrative operations.

6. **Research Collaboration and Networking:**
   Encourage research sharing and establish networks with other educational institutions to foster collaboration, exchange of ideas, and enhancement of academic standard
