

[SAMAR REYAZ] **Assistant Professor**

About

Mr. Samar Reyaz has a diverse background that includes working for big multinational corporates such as Colgate Palmolive and ITC, as well as in the banking industry, where he worked as Asset Officer for State Bank of India in retail banking and IDBI bank in corporate banking in Mumbai. He has worked at the Department of Project Appraisal and Syndication where he appraised projects such as Mumbai Metro and Mumbai Trans Harbour Link, to name a few.

He has always been passionate about teaching. He has taught students of Government Women's College and NIFT. He is currently an Assistant Professor in the Department of Business Administration at St. Xavier College of Management & Technology Patna.

He also serves as the college's Placement Officer and the Chair of the Cultural Committee.

Overtime, he has honed his research skills. He has published numerous articles in national and international peer reviewed and UGC CARE journals. He's also contributed research chapters to a number of edited books. In addition to that, he has also presented and participated in various national and international webinars, seminars and conferences.
